PHILADELPHIA, APRIL 7, 1870.

The Managers of the ROSINE ASSOCIATION present this, their 22nd Annual Report, to the members of the Association, and friends of the Institution:

In the commencement of the year just closed, we had hoped we should be able to accomplish more good, and rescue more victims in the following twelve months than in the past, but owing to some causes beyond the control of the Managers, these expectations were not realized to the extent we had desired.

During the existence of every institution, there are periods when their efforts seem less effective, and their labors less fruitful than at other times. This is no reason for discouragement, but we should continue our vigilance, and our efforts will again be crowned with a full measure of success.

Under the blessing of our Heavenly Father, we have been the means of benefiting a number during the past year, who, having repented of their evil ways, have accepted our offered shelter, and two who have filled out their allotted time, have received the suits of clothes allowed them by our regulations, and have gone forth to labors of usefulness, to live lives of greater purity, and consequent happiness. Two others having had good situations offered them, have gone out to earn a respectable living; while one having become reformed, returned,

welcomed home by a forgiving husband, to enjoy once more the happiness of her family circle. One was taken away by her friends by reason of her being subject to fits. 32 persons have been admitted during the past year; 12 have left the Institution as above stated.

From the Reports of the Committees, we feel satisfied that the Home is most admirably managed by the present Matron.

Perhaps more zeal should be exercised in gathering in persons, among the erring and fallen outcasts of our city.

This subject should receive the fullest and most careful investigation, so that our usefulness might increase in the future.

The following facts will show *some* of our labors for the last year, and our present status:

Number of Garments made during the year,	-	-	693
(An increase over last year of 255)			
For Customers,	-	-	464
For the House,	-	-	229
Handkerchiefs hemmed,	-	-	15
Buttonholes worked,	-	-	20
Ruffling,	-	-	27 yds.
Embroidery,	-	-	1 $\frac{1}{2}$ "

This shows that the girls have been well and usefully employed.

They have some leisure, and they devote a portion of it to reading and re-reading the scanty library of books that have been presented to the Institution by some kind friends; would that others would take a like interest and increase this small but well-used library. Some friends in Germantown presented \$5.00 to purchase a set of Croquet for the girls' use, for which we return our warmest thanks.

During the last year the receipts have been	\$1,925	90
Expenditures,	1,984	53
Balance on hand,	335	18

The Managers gratefully acknowledge the professional services of Dr. Ruth A. French, and her skillful and kind attention to the sick under her care. They also return thanks to the clergymen who have officiated from time to time, and to *all* who have contributed in any way to the comfort of the inmates and the well-being of an institution which presents such great claims upon the sympathies of the benevolent.

In closing this Report, the Managers feel confident that they will not be forgotten by a generous public, who will continue to aid them in their efforts to reclaim the fallen of our city.

EXTRACT FROM THE CONSTITUTION OF THE ROSINE ASSOCIATION.

To secure from vice and degradation a class of women who have forfeited their claims to the respect of the virtuous; to prepare and maintain for them an asylum, which by its system of religious instruction, shall elevate their moral nature—teach them how to gain an honest living “by the works of their own hands,” and eventually to render them useful members of the community—an Association has been formed and denominated “THE ROSINE ASSOCIATION OF PHILADELPHIA,” for the government of which, &c.
